Objective

A platform which gives me chance to exploit my extreme interest in the field of Computer Science , fulfil my desire to do something out of box , explore my talent and showcase my skills properly.

Education

- 2014–Present **Bachelor Of Technology In Computer Science**, LNMIIT Rajasthan, CPI – 8.1.
- 2012–2014 **Senior Secondary**, Cambridge Court High School , Rajasthan, Percentage – 87.8.
- 2010–2011 **Secondary**, Cambridge Court High School, Rajasthan, CPI – 9.8.

Major Projects

- August-2015 **Human Resource management project** Used for Managing the database for an organization based on MVC-Architecture in swing(JAVA).
- Summer-2016 **Blog** A discussion blog created with the purpose students can discuss among themselves and seniors in Django(Python).
- Summer-2015 **Text-Editor**. Designed an off-line text-editor in PyQt-5(Python)
- September-2015 **Assembler** Designed a assembler in C-language.
- September-2016 **Carte** Currntly I'm working with a team of 6 people on a web app in Django which will help user to rate and review the best restaurant, hotels and hospitals near their locality or whichever place they are currently standing by detecting it through GPS.

Experience

- September-2016 **Problem Curator** I'm working as a problem curator for Geeksforgeeks.

Achievements

- APAC Test 2017 **Round B APAC Test 2017:**
Round B: Rank 489 Globally out of 3889 participants.
- CodeJam 2015 **Google CodeJam 2015**. Qualified in first round.

Codechef Handle: **shubham190496**

Current Rating: 10103.43

Global Rank: **627**

India Rank: **400**

Two TOP300 and **one TOP200** finishes in Codechef Long Contests in India.

Codeforces Handle: **nimxor**

Current Rating: 1478(**Specialist**)

Highest Rating: 1496(**Specialist**)

Hackerrank Handle: **nimxor**

Current Rating: 2095(**Specialist**)

IIT-JEE Ranked 9,931 in Joint Entrance Examination (IITJEE 2014) taken by 1, 50,000 students across the country.

Scholarship Received scholarship of Rs.37, 500 from institute.

Position of Responsibility

2015-2016 Member of Programming Club, LNMIIT-Rajasthan

2016-current Problem setter at college contests.

2015-2016 Member of Computer Society Of India ,LNMIIT-Jaipur

2015- Member of Tech Team of Plinth(Annual Cultural Fest in LNMIIT-Jaipur)

Interests

- Data Structures and Algorithms
- Full-Stack Development using Django

Technical skills

Languages C++(STL),C,Python,Java,Bootstrap

Framework Django
